

## SECTION 2

# POWER TRAIN

## CONTENTS

Clutch.....	2-1	Manual transmission.....	2-1
Clutch pedal .....	2-1	Summary.....	2-1

## CLUTCH

### Clutch pedal

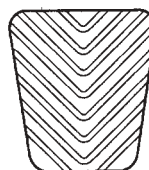

The sporty image has been enhanced using aluminium pedal pad plates.

<GT, GSR>

New (Lancer Evolution IX)

Base model (Lancer Evolution VIII MR)

AC407166AB

### Manual transmission

This is basically the same as on the Lancer Evolution VIII, but the W5M51 transmission 5th speed gear ratio has been changed from 0.825 to 0.761, improving high speed cruising comfort and driving performance.
