TECHNICAL INFORMATION MANUAL

LANCER EVOLUTION IX

FOREWORD

This manual contains details of the main changes to the 2005 LANCER EVOLUTION IX. Only the differences to the LANCER EVOLUTION VIII MR are included, so please use the manual in conjunction with the related materials specified on the following page. The information contained in this manual relates to the current vehicle (March 2005). Since specifications change, this information will inevitably be superseded. Please note that SI units, the International System of Units, are used in the manual. Conventional units are not given. (However, old units are used for some figures taken from existing documents)

Any opinions, requests, or questions concerning this manual, should be written on the 'Servicing Comment Form' at the end, and sent to us by fax.
